

# XYZ engraver Release Notes

---

This release note provides information on the latest version of **XYZengraver** software suite. Though XYZprinting has made every effort to ensure that all functions are correct and stable, in no event shall XYZprinting be liable for any direct, special, indirect, incidental, or consequential damages (including data loss of your computer). Therefore, it is strongly recommended that you back up your important data before updating the software to avoid possible data loss or corruption.
